### Tournament Information:

With only ten teams in our tournament, we have decided to go with a hybrid of the Paloma Valley Varsity Winter Shootout format. Since there are four Sunbelt League schools and five Southwestern League schools, the schools have been arranged in pools so that they will not have to face a league opponent (Except Murrieta Valley and Temecula Valley – sorry!) until Saturday. On Saturday, **if possible**, unless your school is playing in the 1<sup>st</sup> or 3<sup>rd</sup> Place games, schools from the same league will be arranged in games so that they will be playing non-league opponents.
